About Us

CM Squared have a proven history in the construction industry with Carey having 17 years industry experience.

Carey started his career beneath the floor of old houses - to be relocated in the Nelson area. Since then Carey hasn't looked back obtaining both a NZ Certification in Carpentry and a NZ Diploma in Quantity Surveying and Project Management.

As a Quantity Surveyor and Project Manager Carey has worked on several Key Projects within the Nelson area including Nelson School of Music, Pics Peanut Butter Factory, Proper Crisps Factory, and Arvida Waimea Plains Retirement Village.

Now relocated to Christchurch Carey has founded CM Squared and offers his highly sought after Costings and Management services South Island wide.

Costings

Costs and budgeting are the most important parts of any construction project - and for many people, they're also the most stressful. CM Squared offer a range of comprehensive costing services, tailor-made to the stage and requirements of your project.

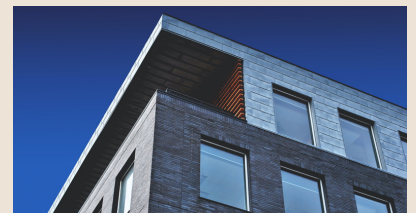

- Project Feasibility
- Elemental Estimates
- Detailed Estimates
